FOR ULTRASOUND RESEARCH & EDUCATION

Female Pelvic Protocol

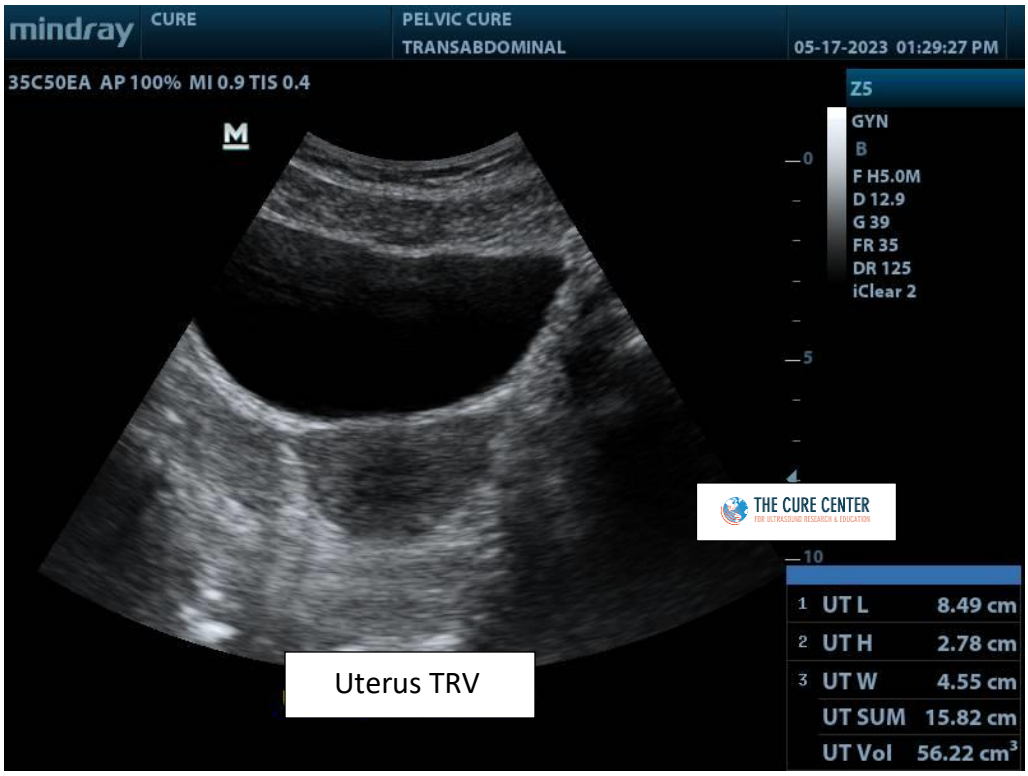

1. Uterus SAG ML

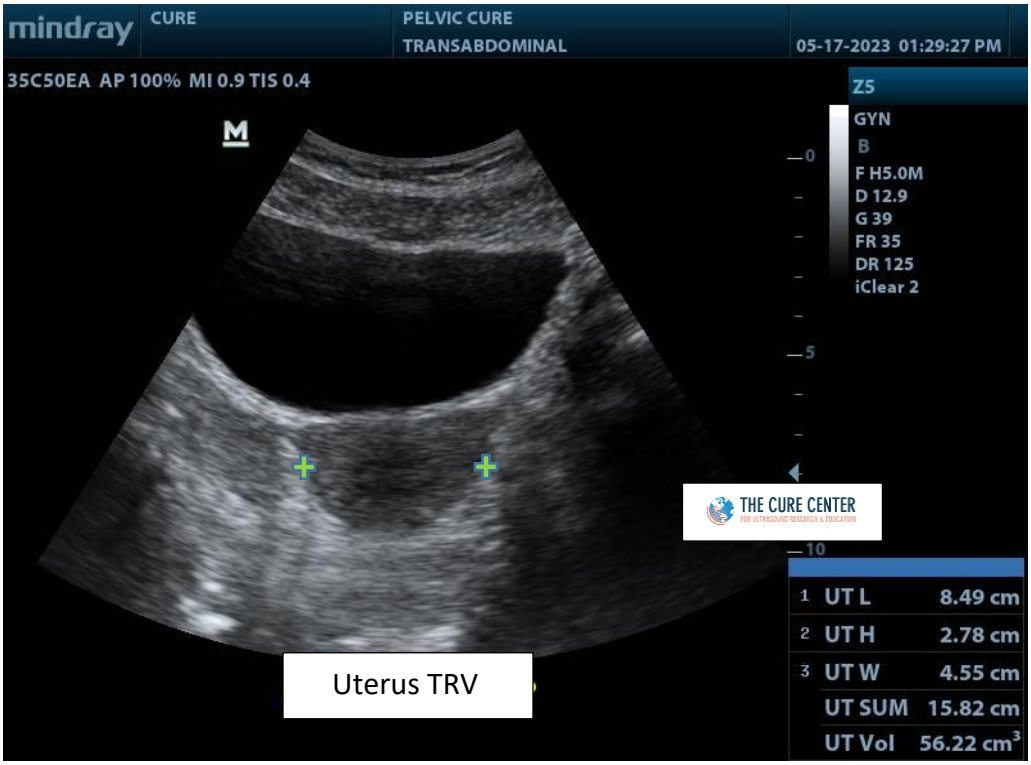

2. Uterus SAG ML with Measurement

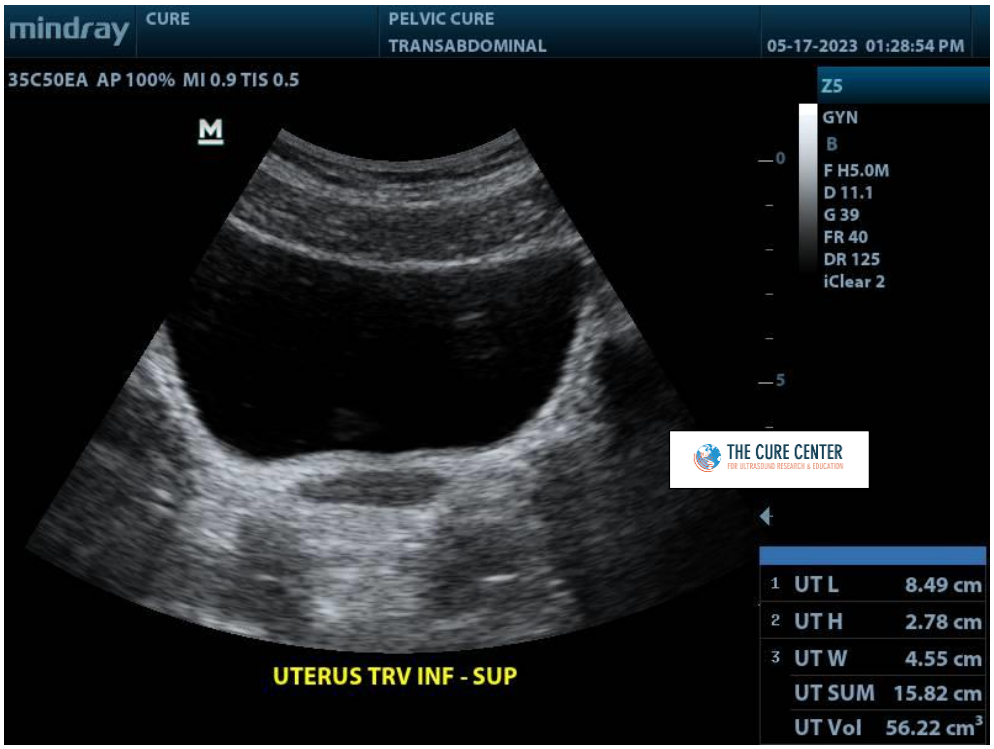

3. Uterus TRV ML

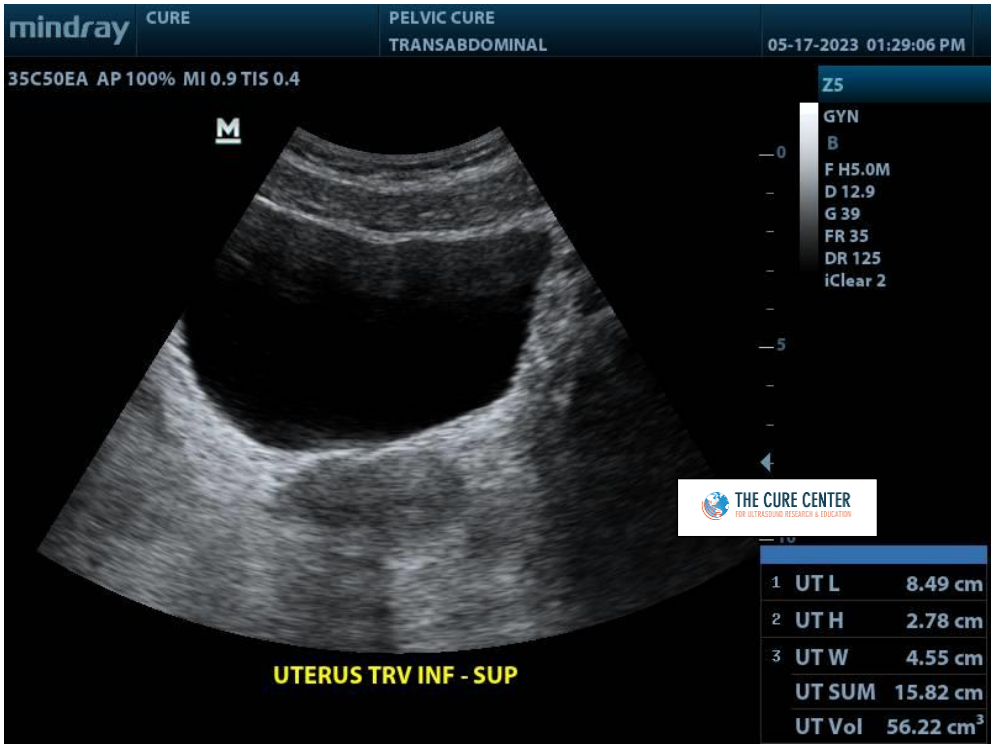

4. Uterus TRV ML with Measurement

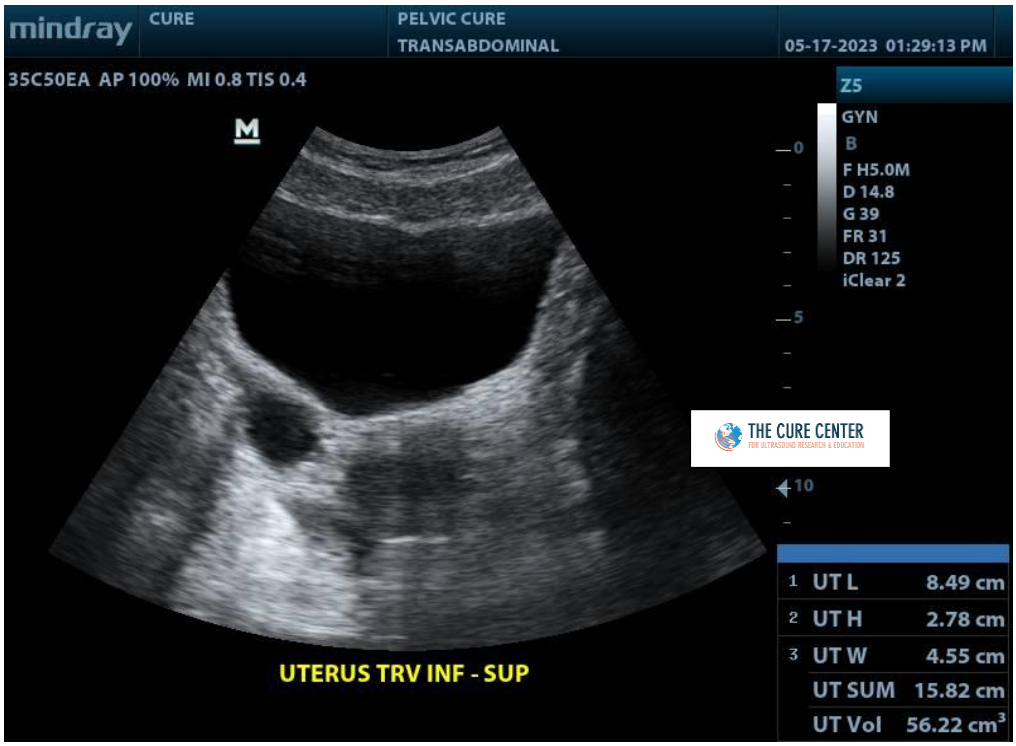

5. Uterus TRV Inferior to Superior

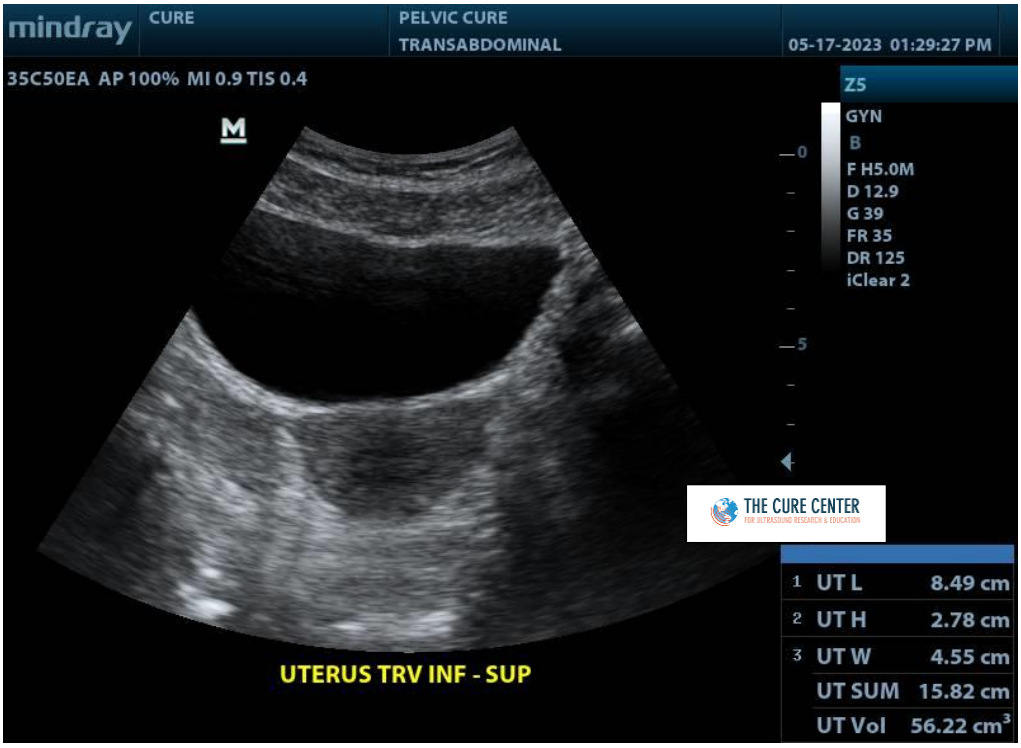

6. Uterus TRV Inferior to Superior

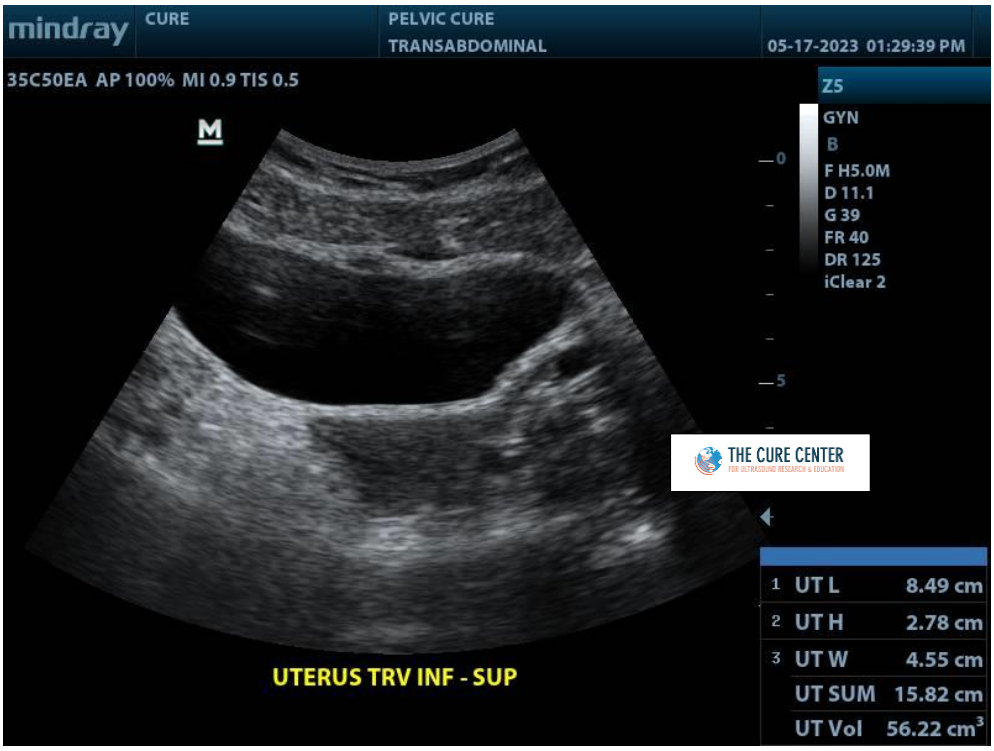

7. Uterus TRV Inferior to Superior

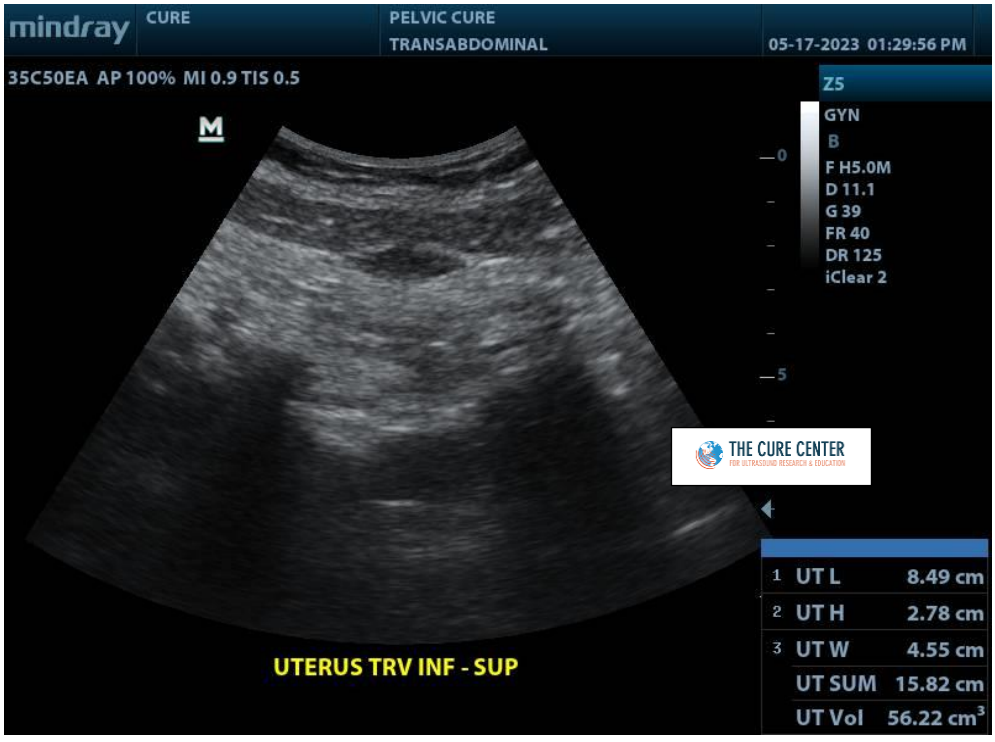

8. Uterus TRV Inferior to Superior

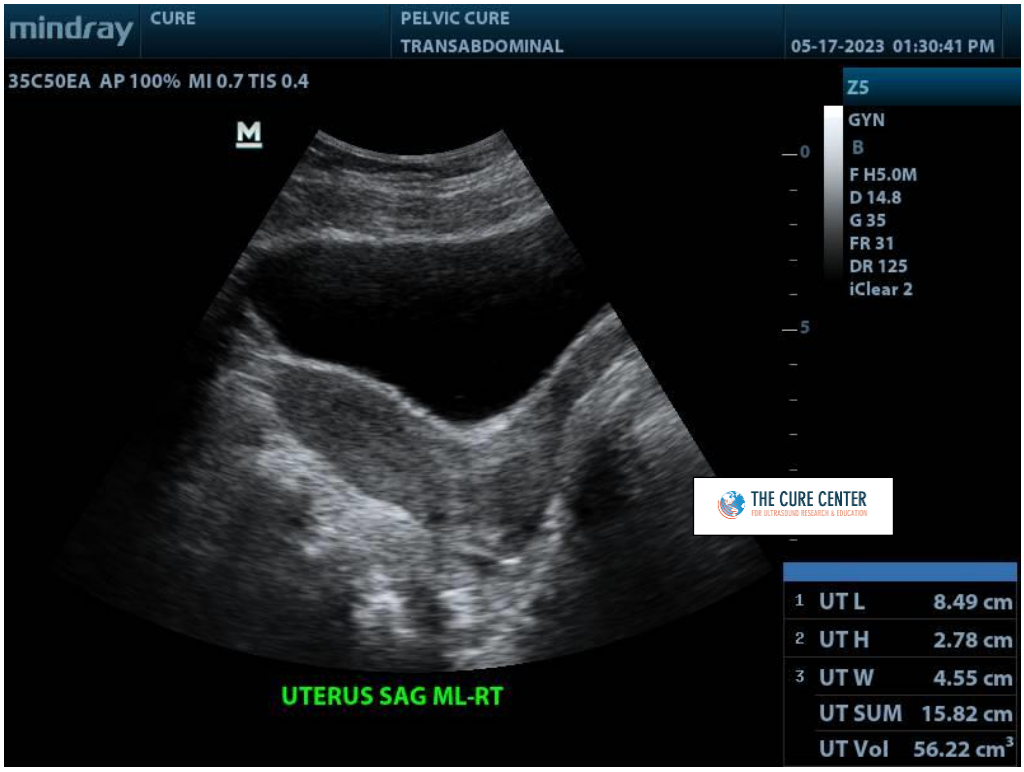

9. Uterus TRV Inferior to Superior

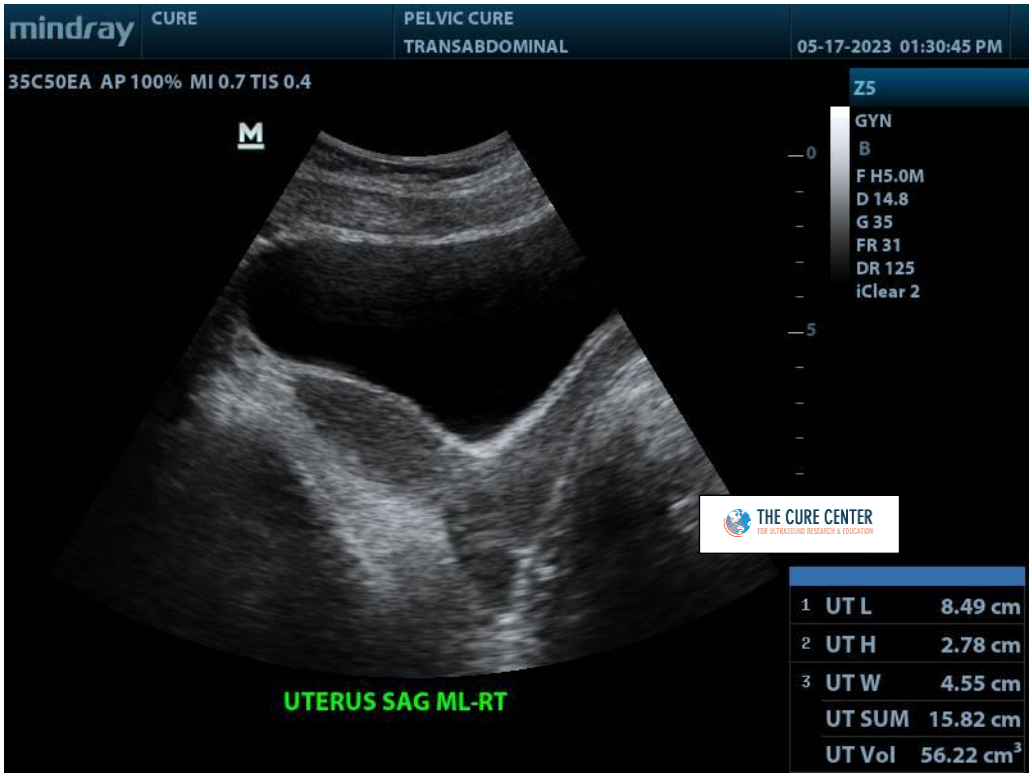

10. Uterus TRV Inferior to Superior

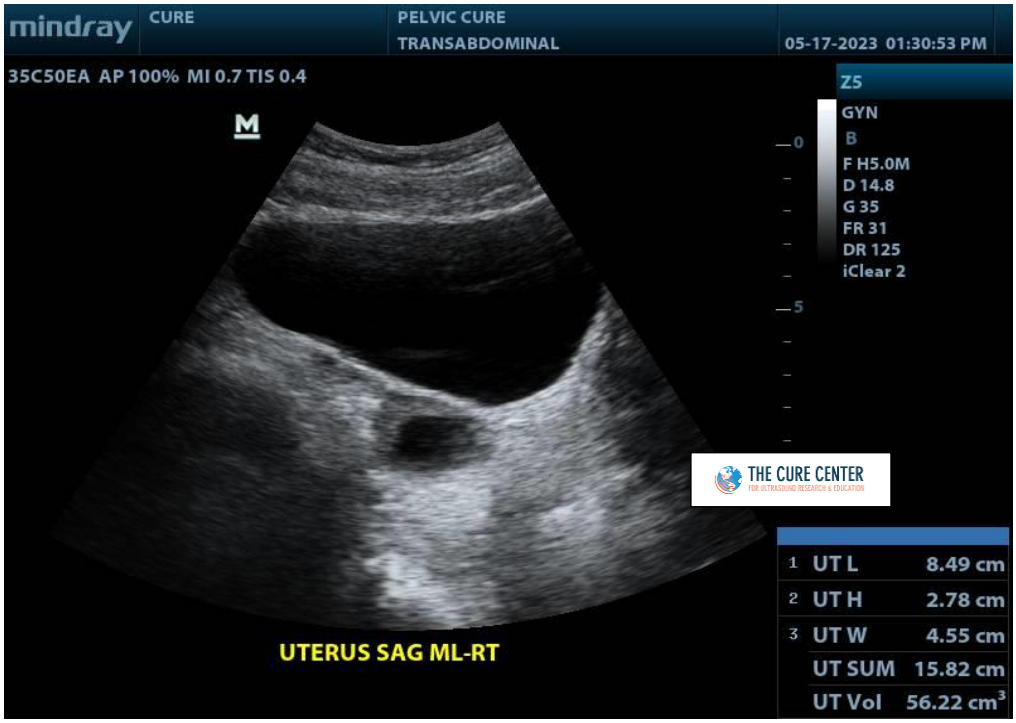

11. Uterus SAG from the Midline to the Right

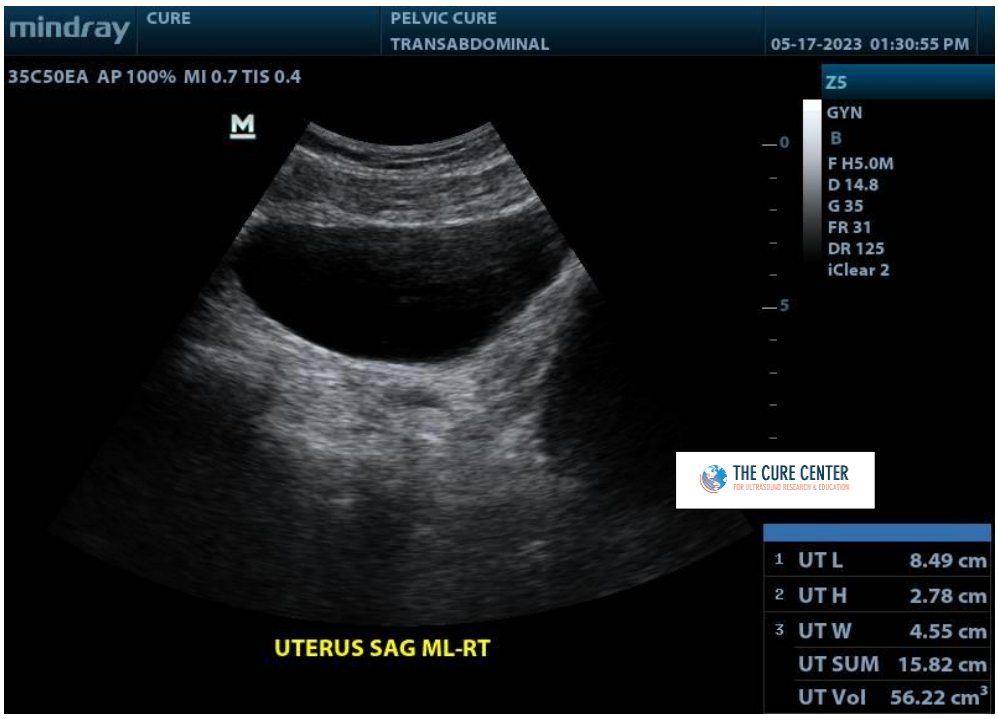

12. Uterus SAG from the Midline to the Right

13. Uterus SAG from the Midline to the Right

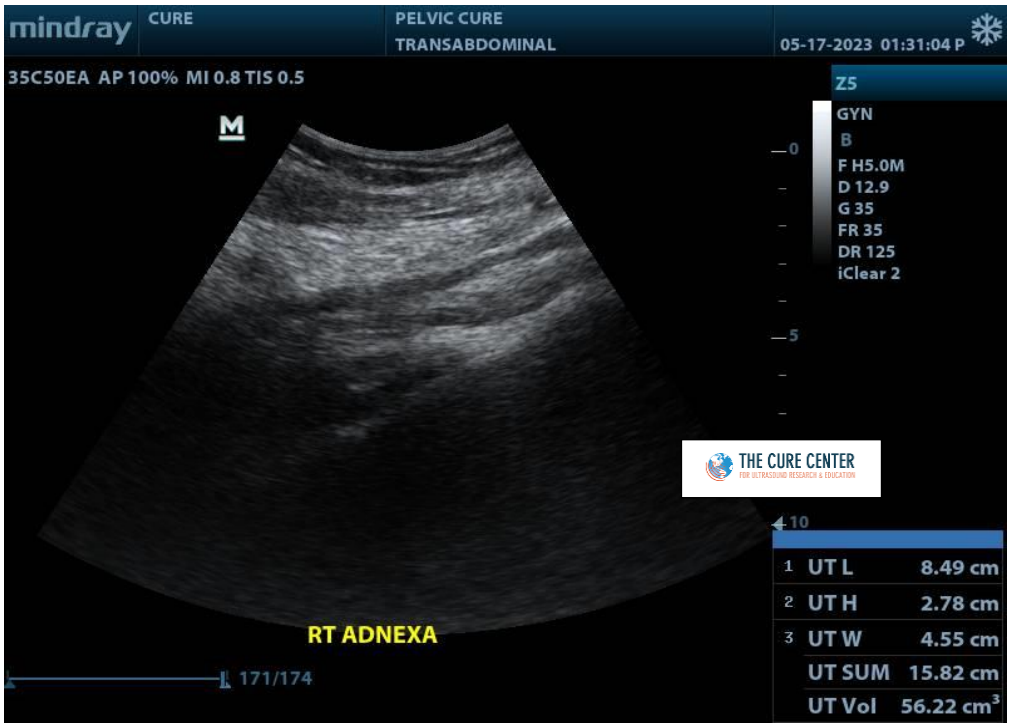

14. Uterus SAG from the Midline to the Right

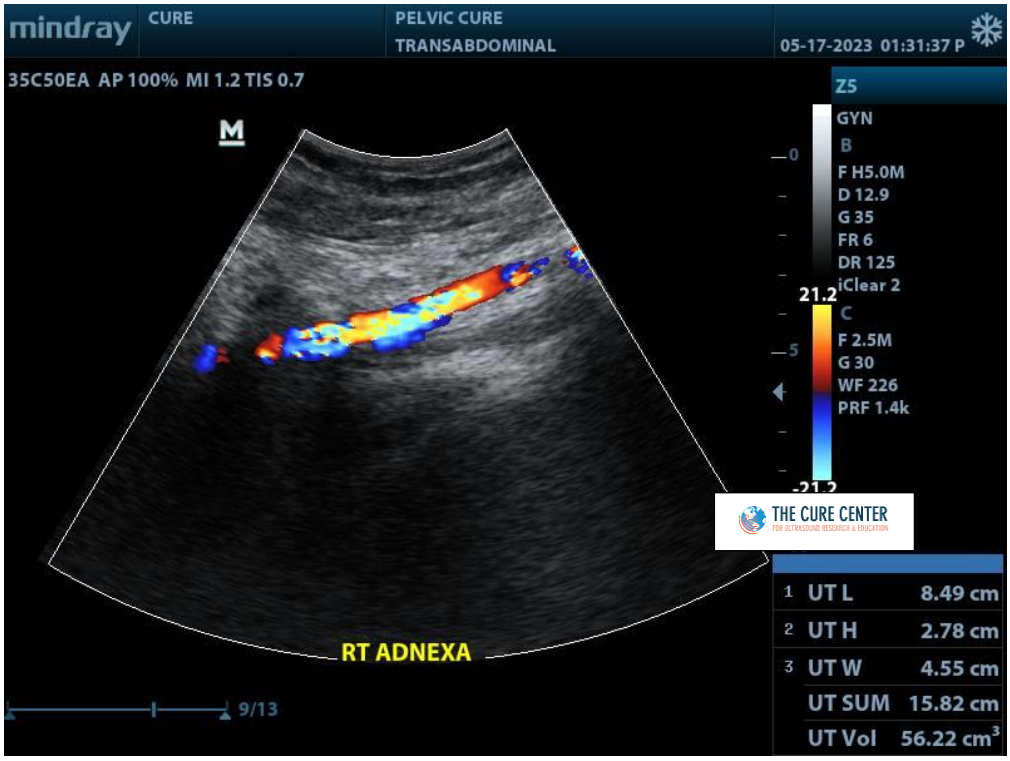

15. Uterus SAG from the Midline to the Right

RT adnexa (show the Common Iliac artery and vein elongated)

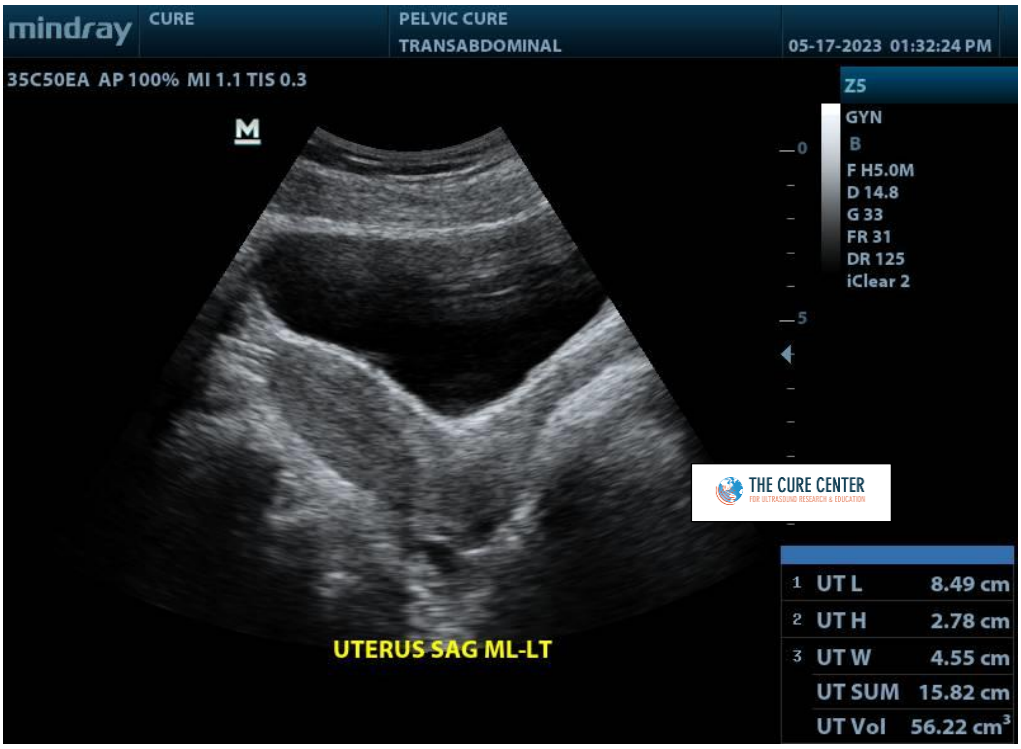

16. Uterus SAG from the Midline to the Right

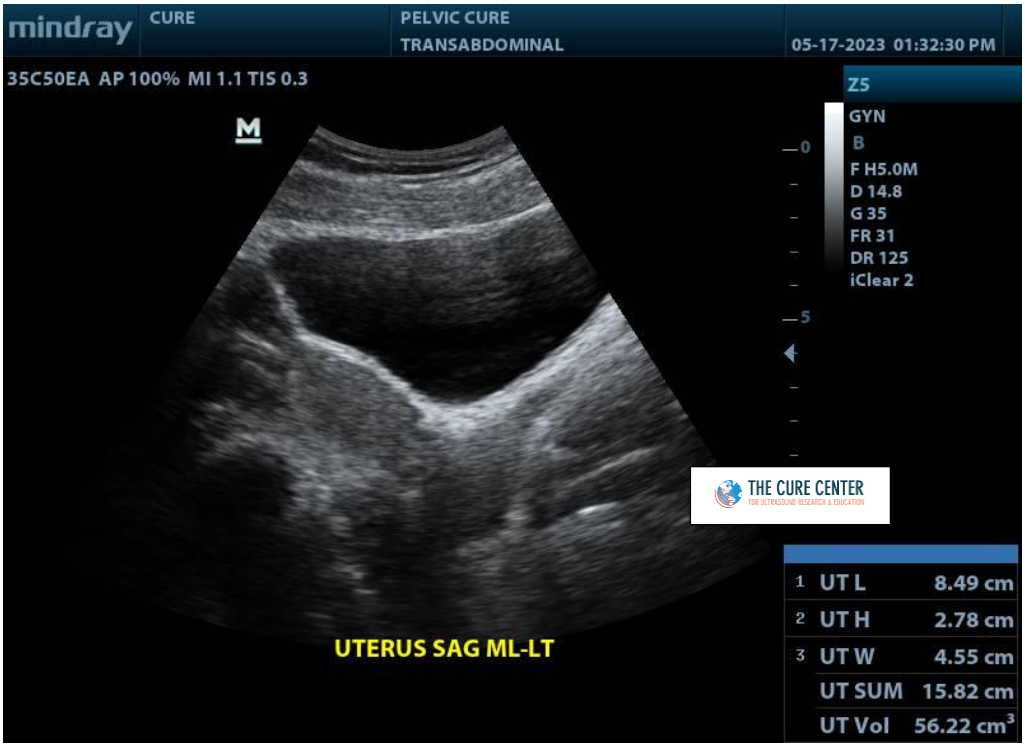

RT adnexa (show the Common Iliac artery and vein elongated with Color Doppler)

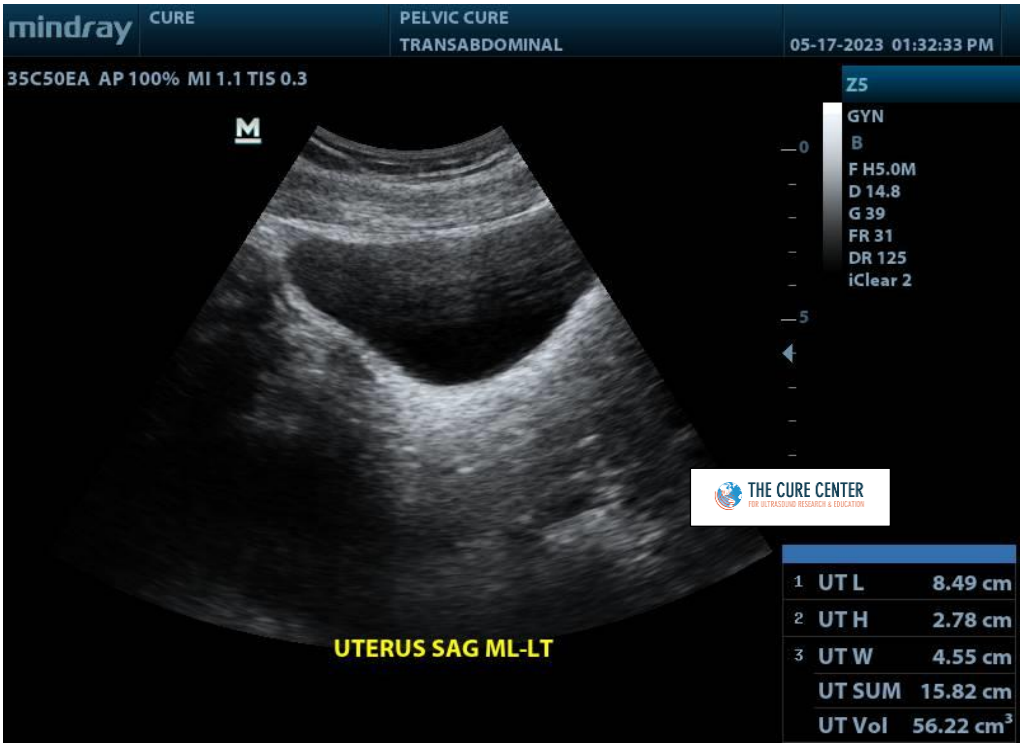

17. Uterus SAG from the Midline to the Left

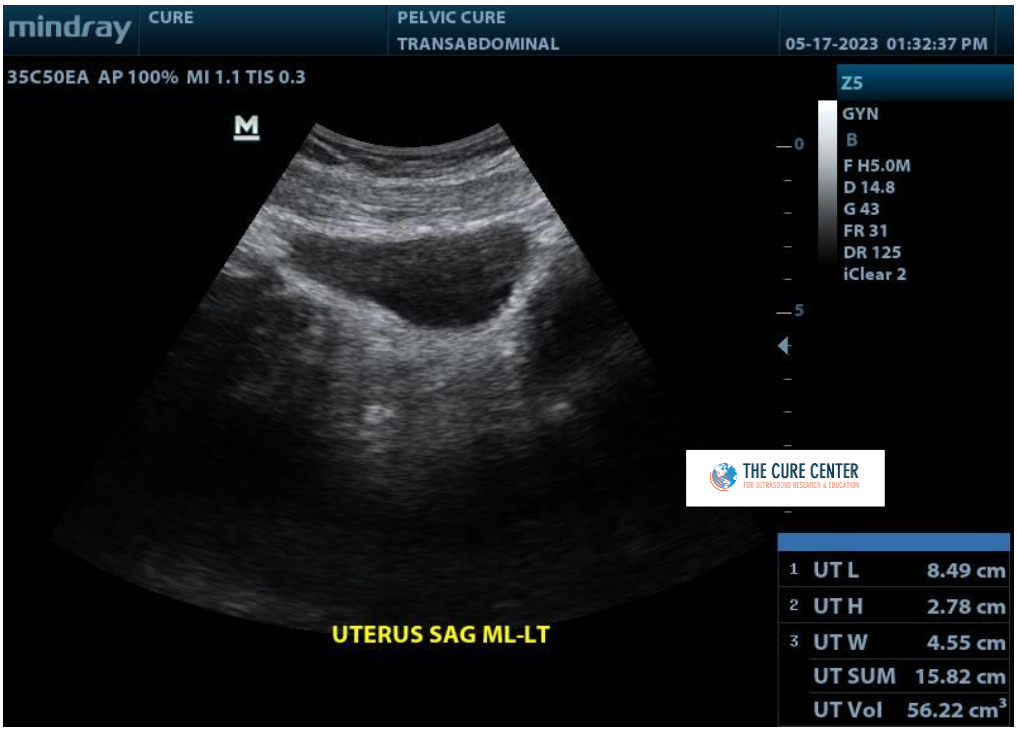

18. Uterus SAG from the Midline to the Left

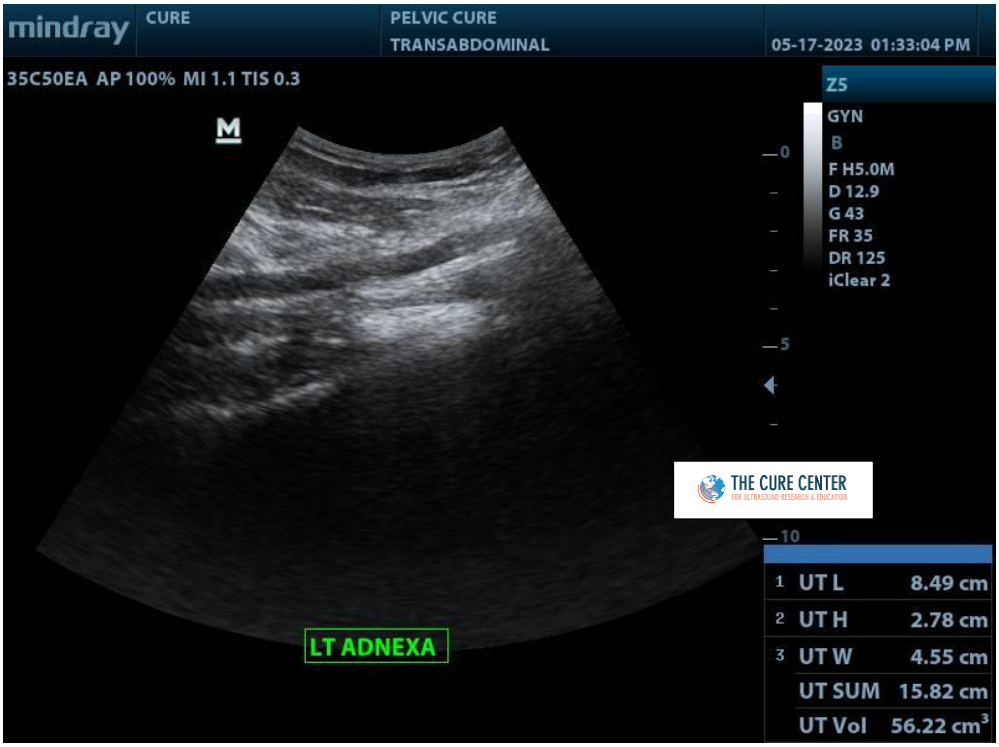

19. Uterus SAG from the Midline to the Left

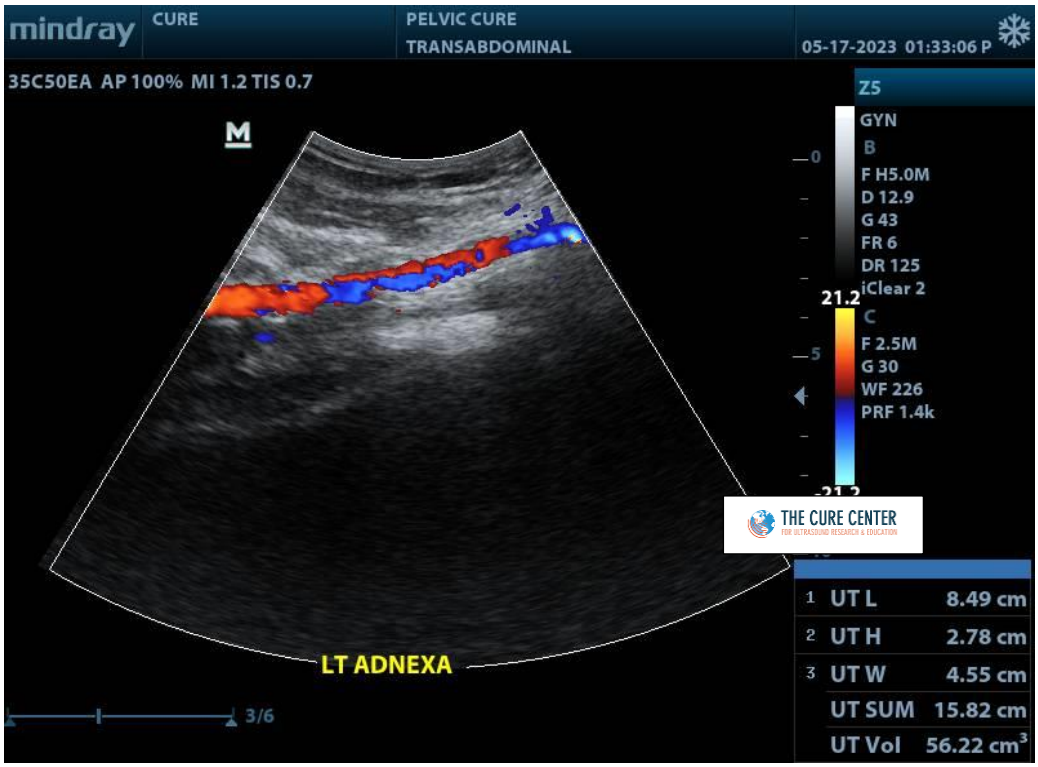

20. Uterus SAG from the Midline to the Left

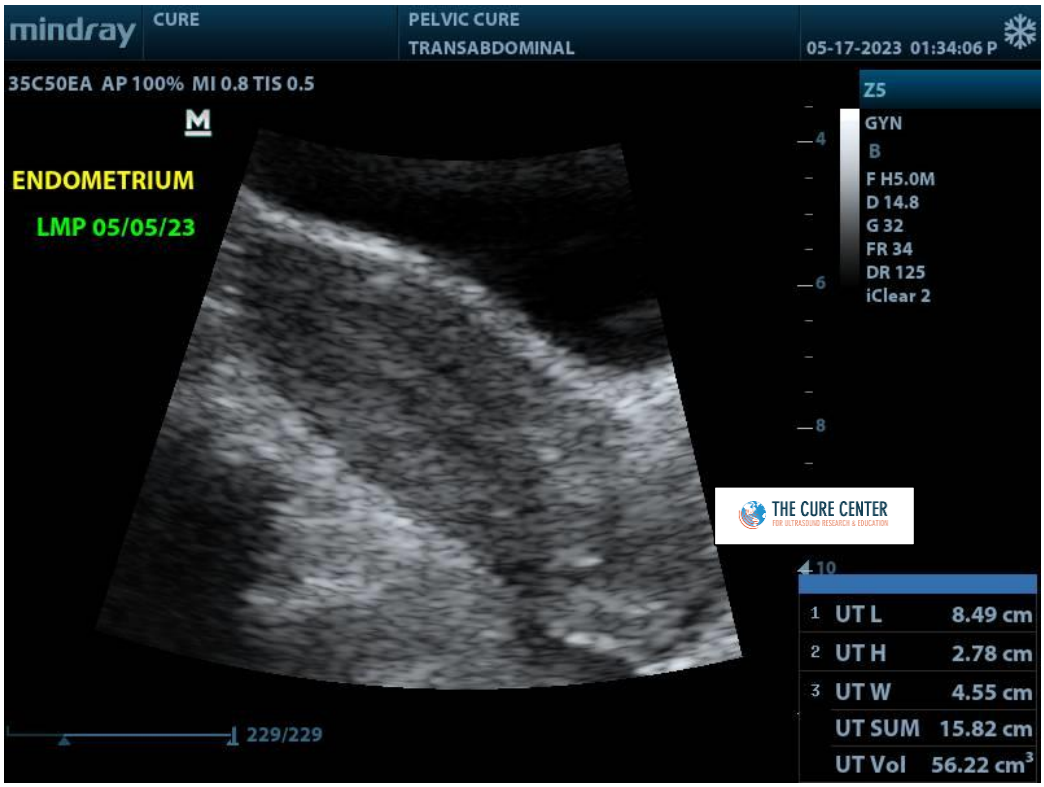

21. Uterus SAG from the Midline to the Left

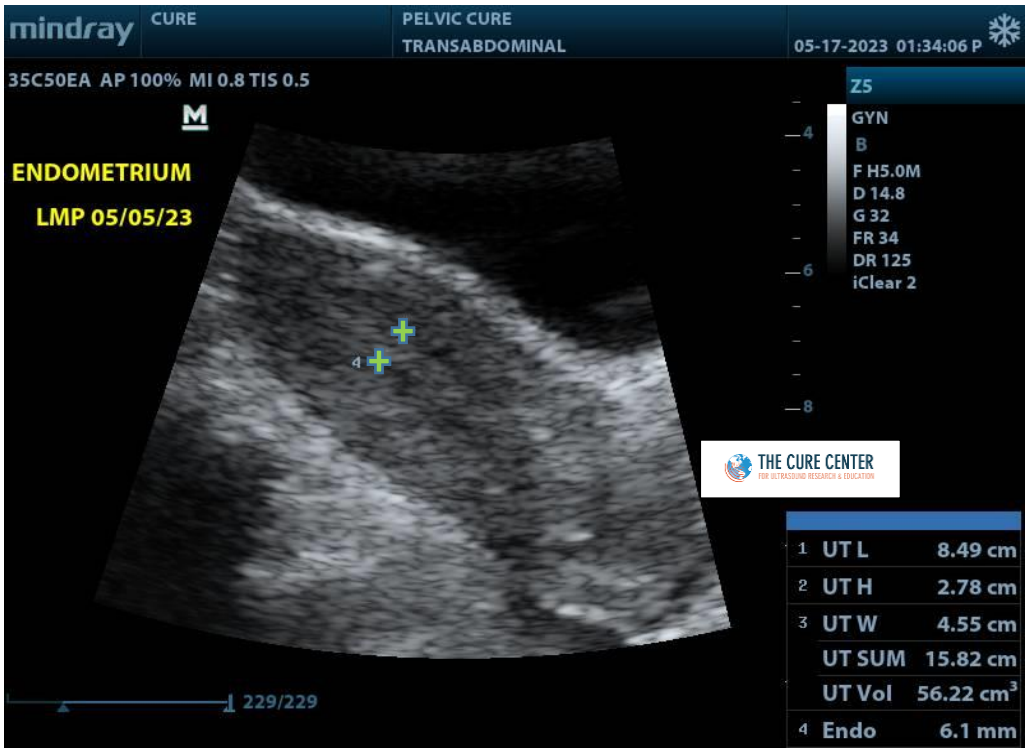

22. Uterus SAG from the Midline to the Left

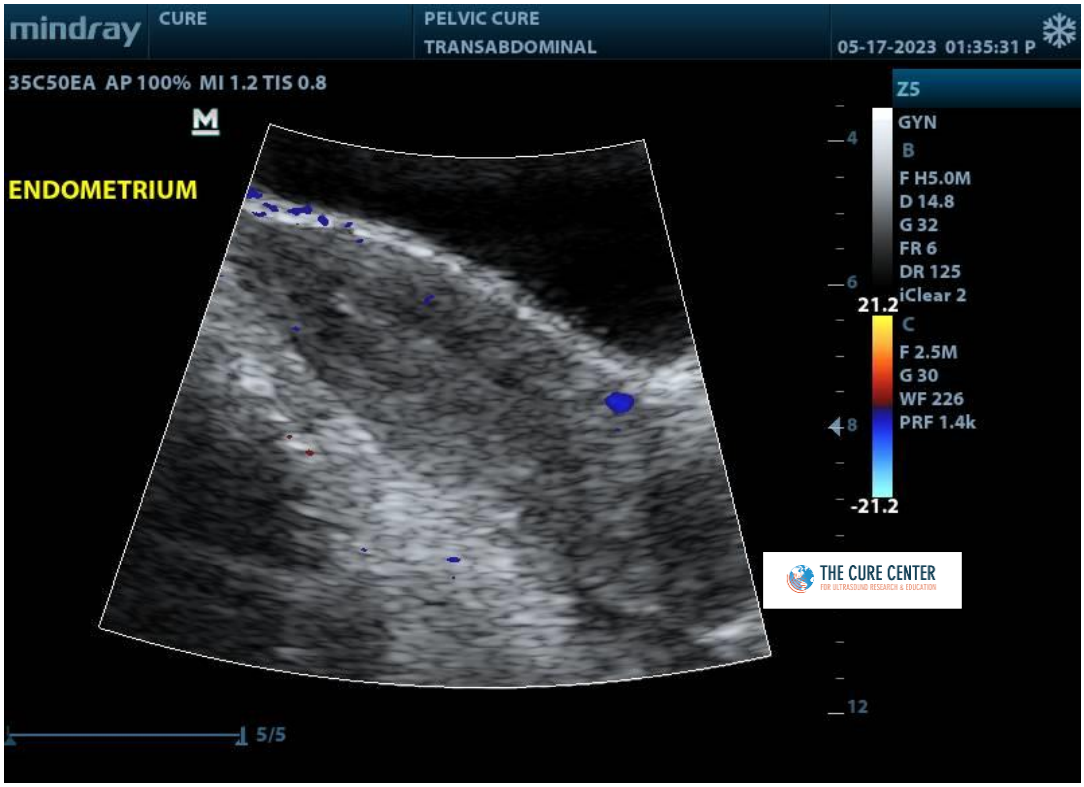

23. Endometrium

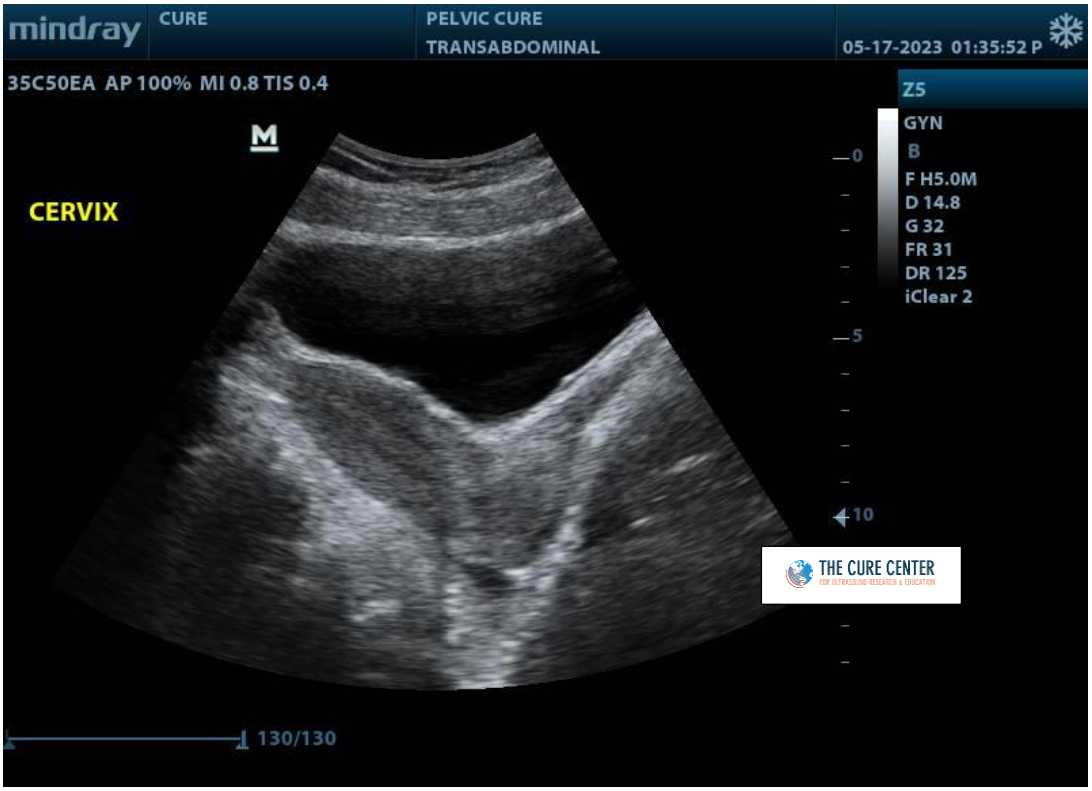

24. Endometrium with Measurement

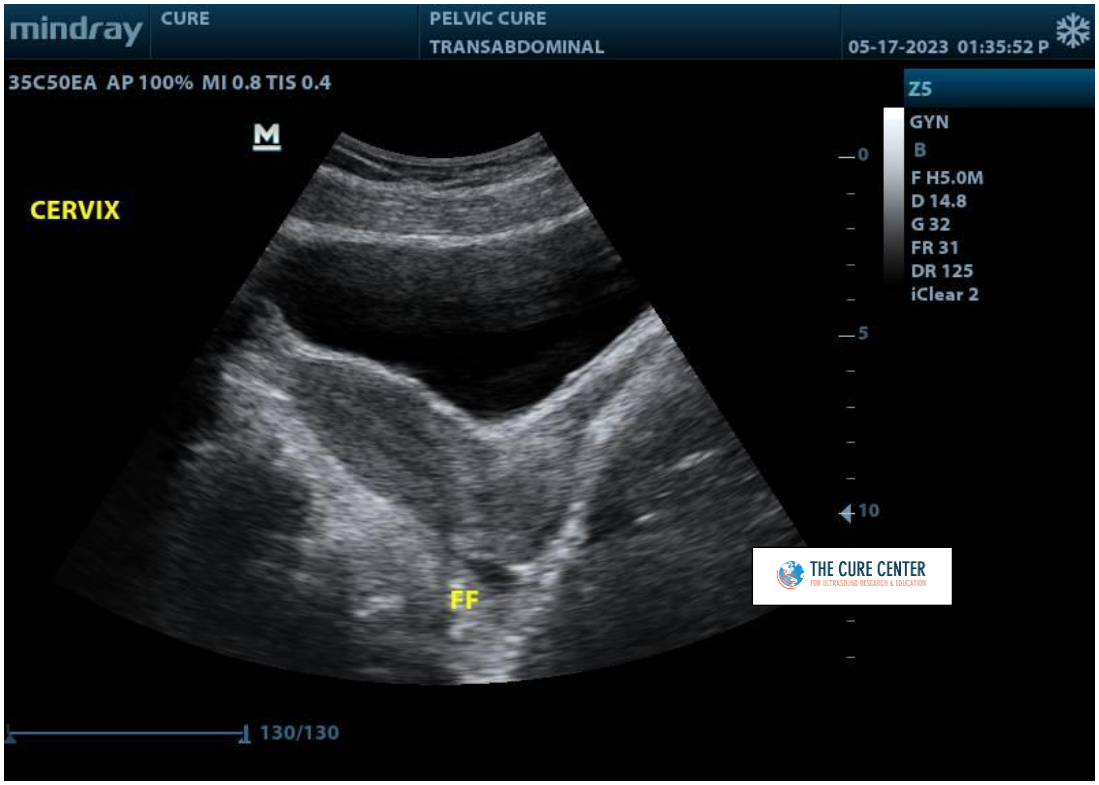

25. Endometrium with Color Doppler

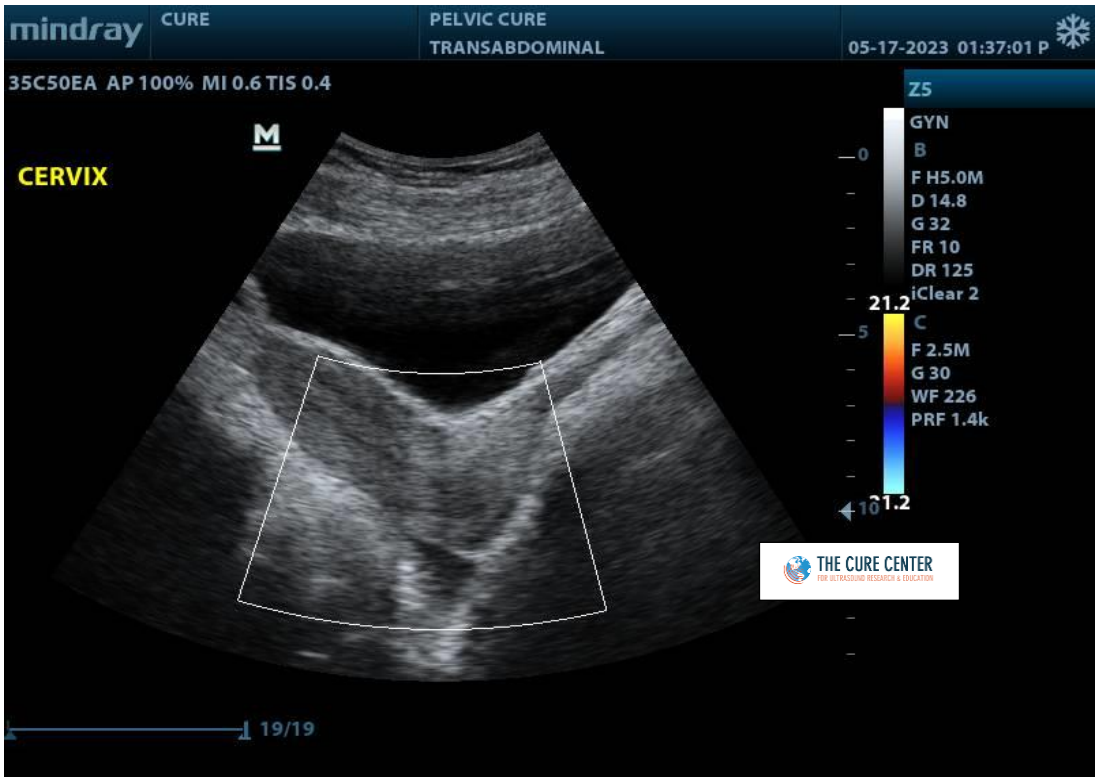

26. Cervix SAG

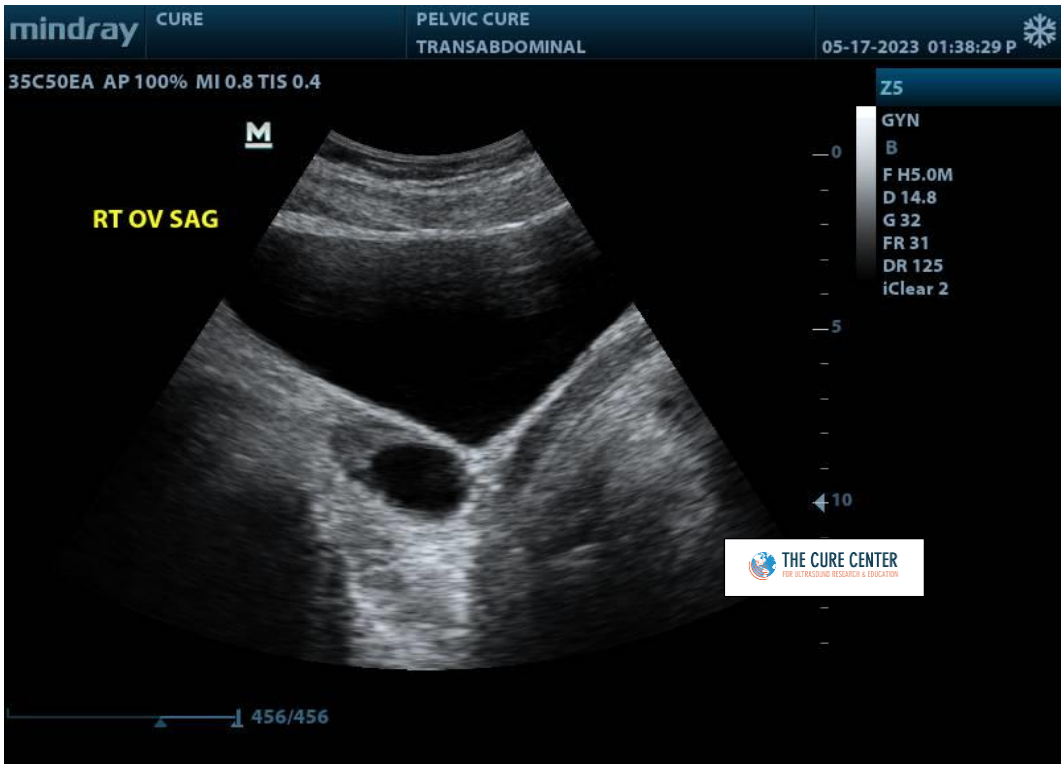

27. Cervix SAG

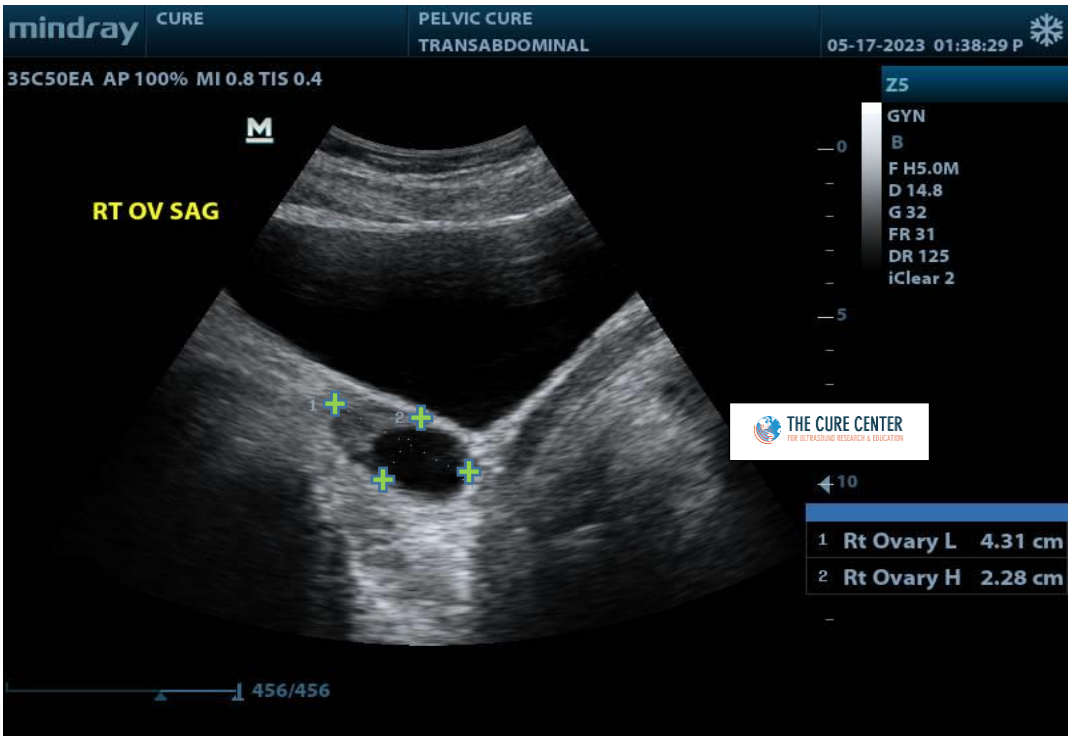

28. Cervix SAG with Color Doppler

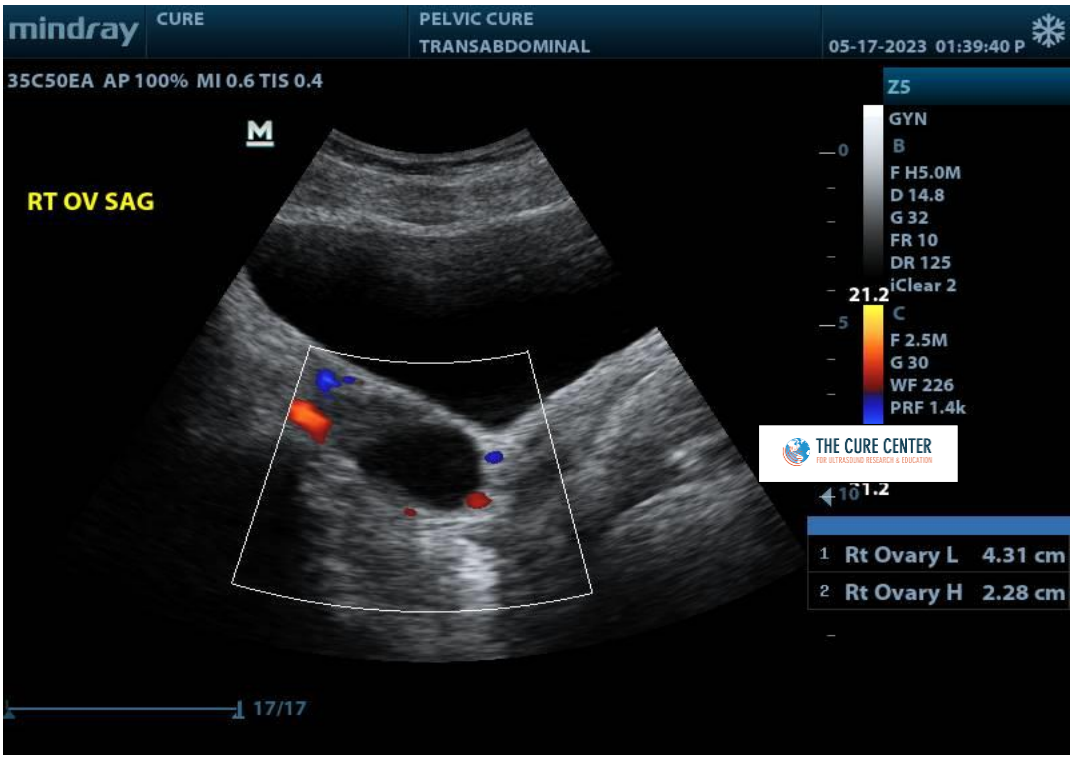

28. Right Ovary SAG with Gray Scale

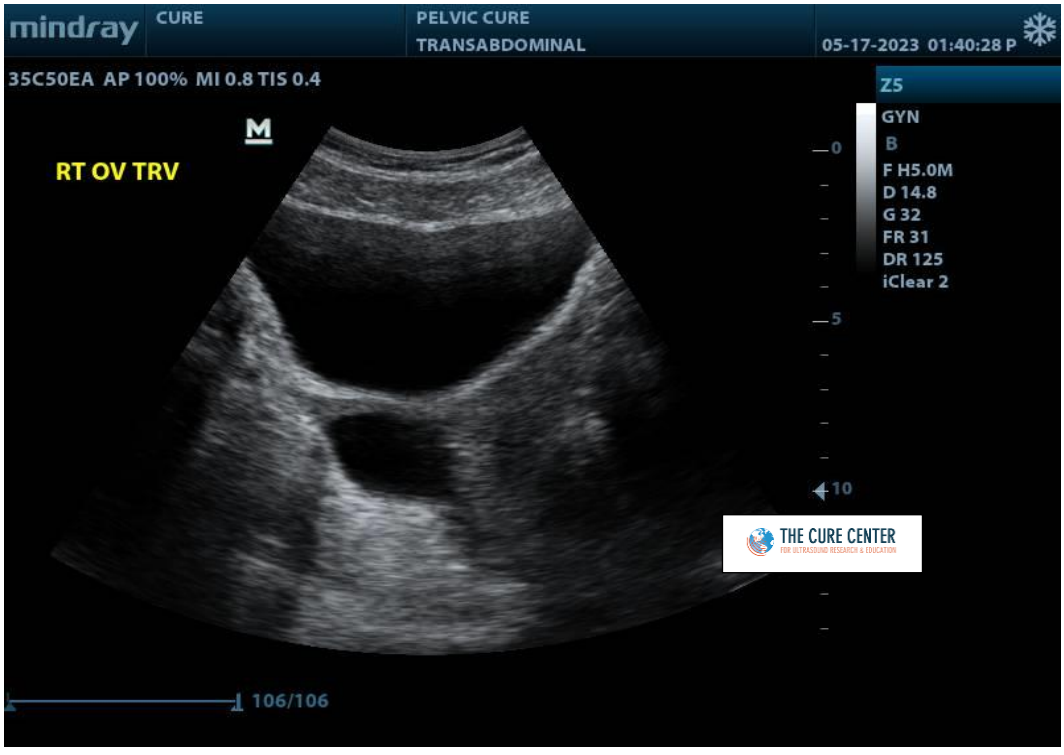

29. Right Ovary SAG with Measurement

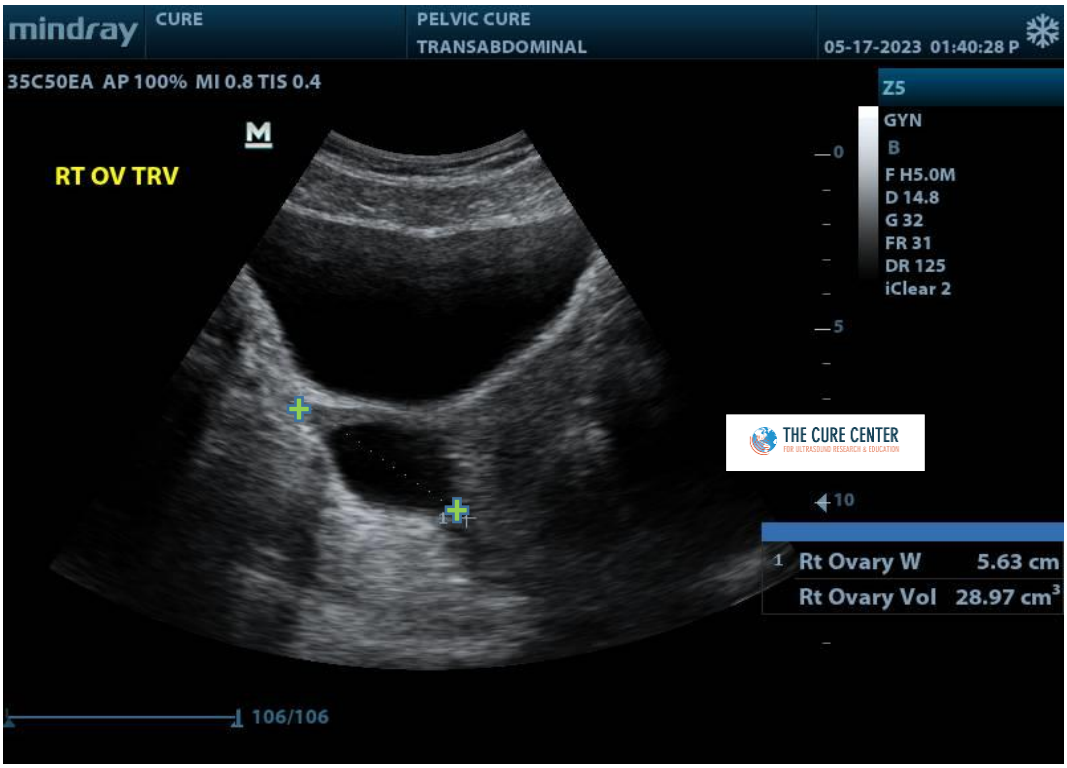

30. Right Ovary SAG with Color Doppler

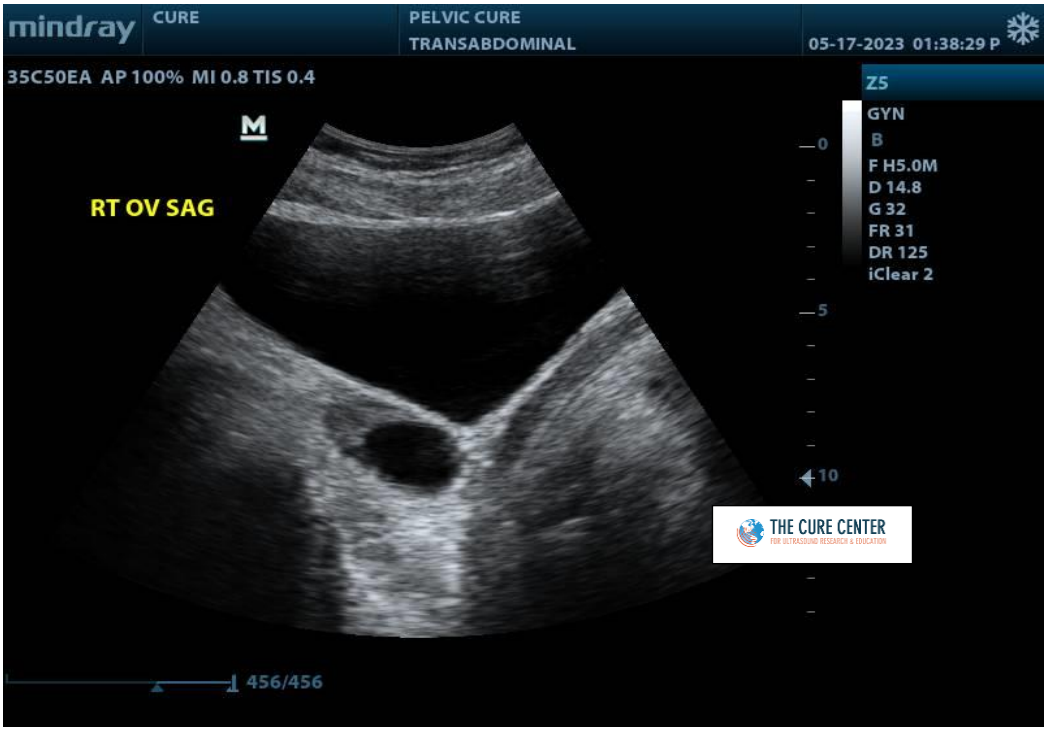

31. Right Ovary TRV Gray Scale

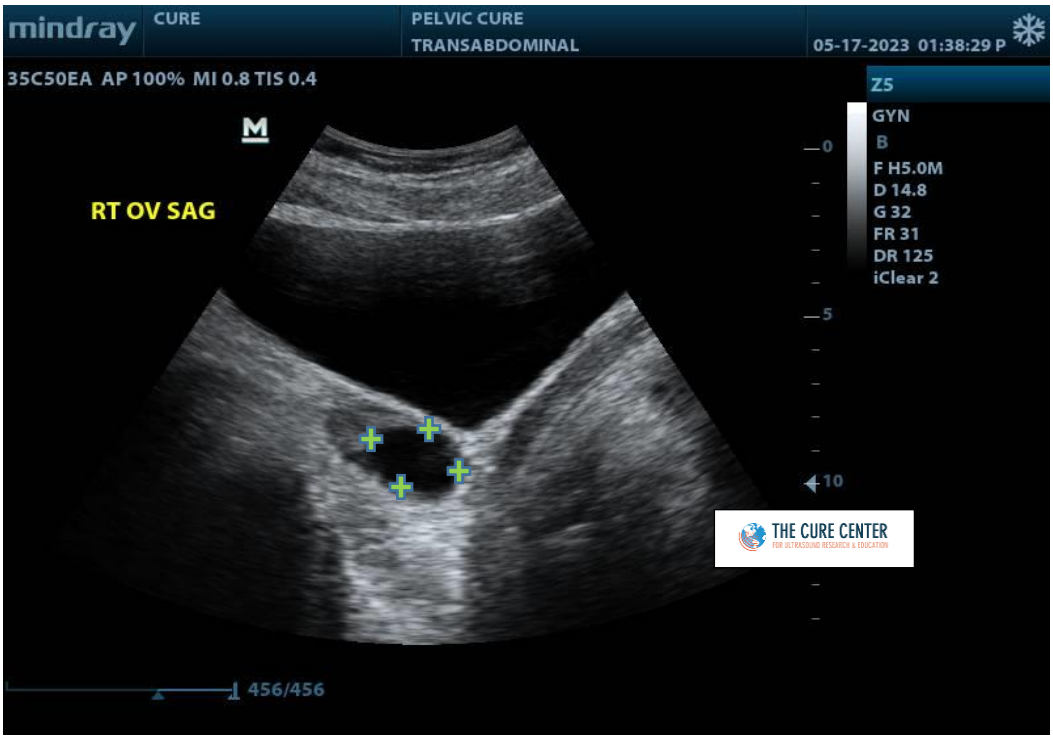

32. Right Ovary TRV with Measurement

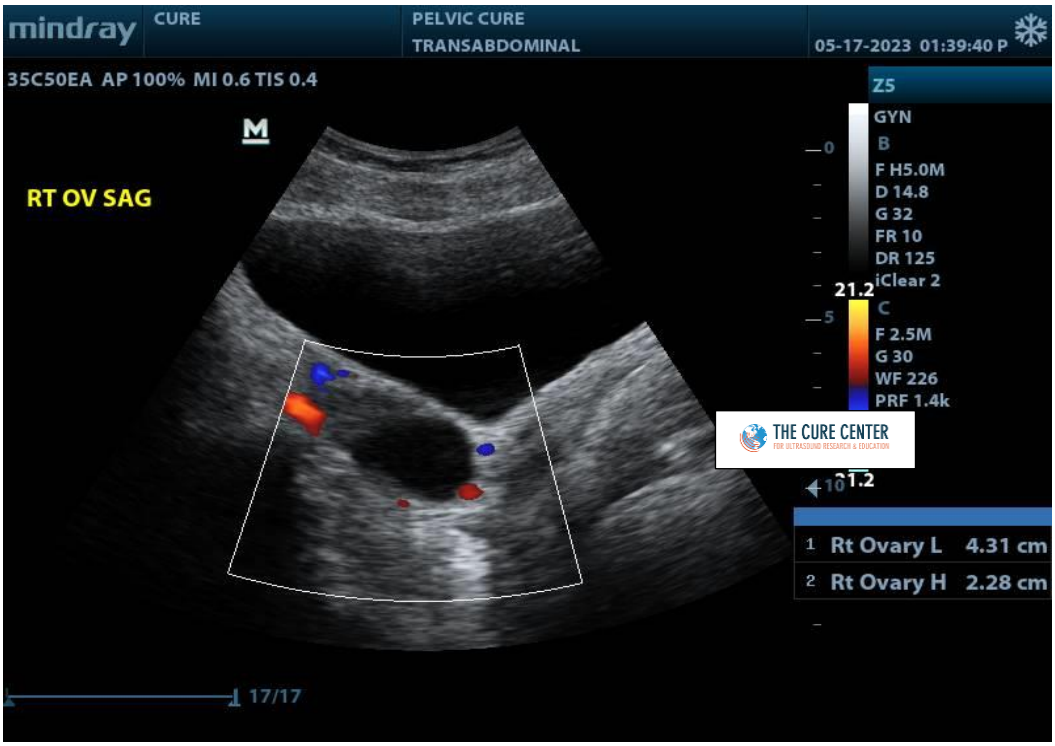

A. Right Ovary SAG (Cyst if Applied/Seen)

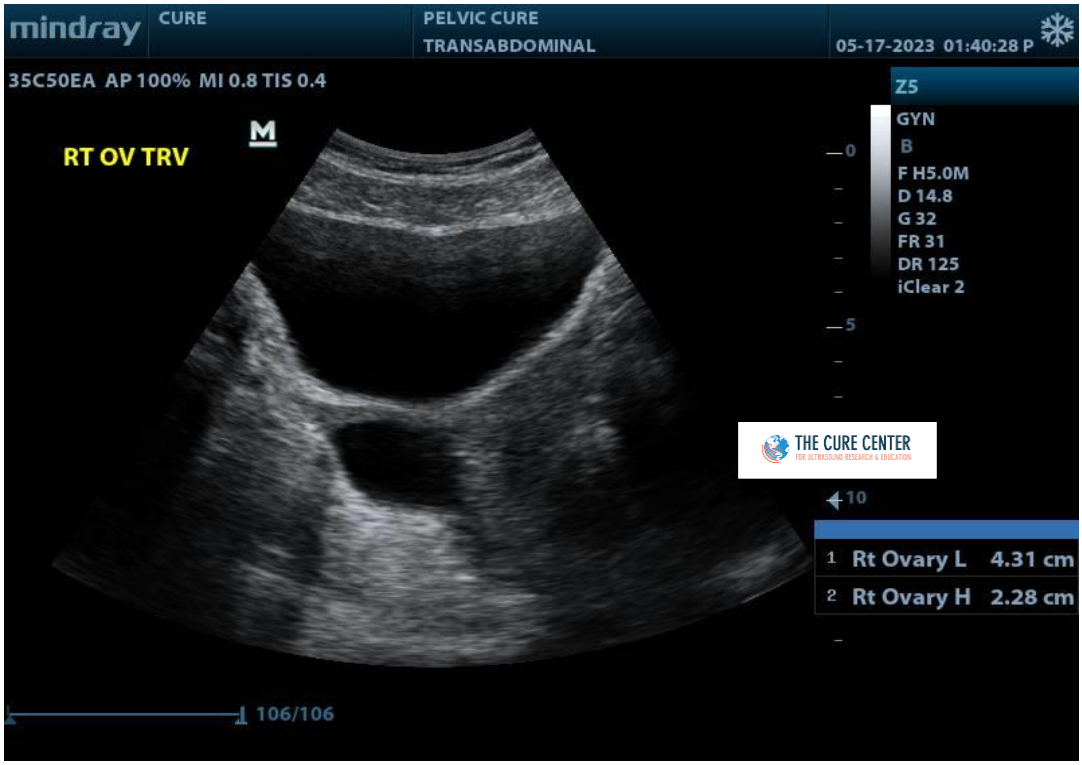

A. Right Ovary SAG with Measurement (Cyst if Applied/Seen)

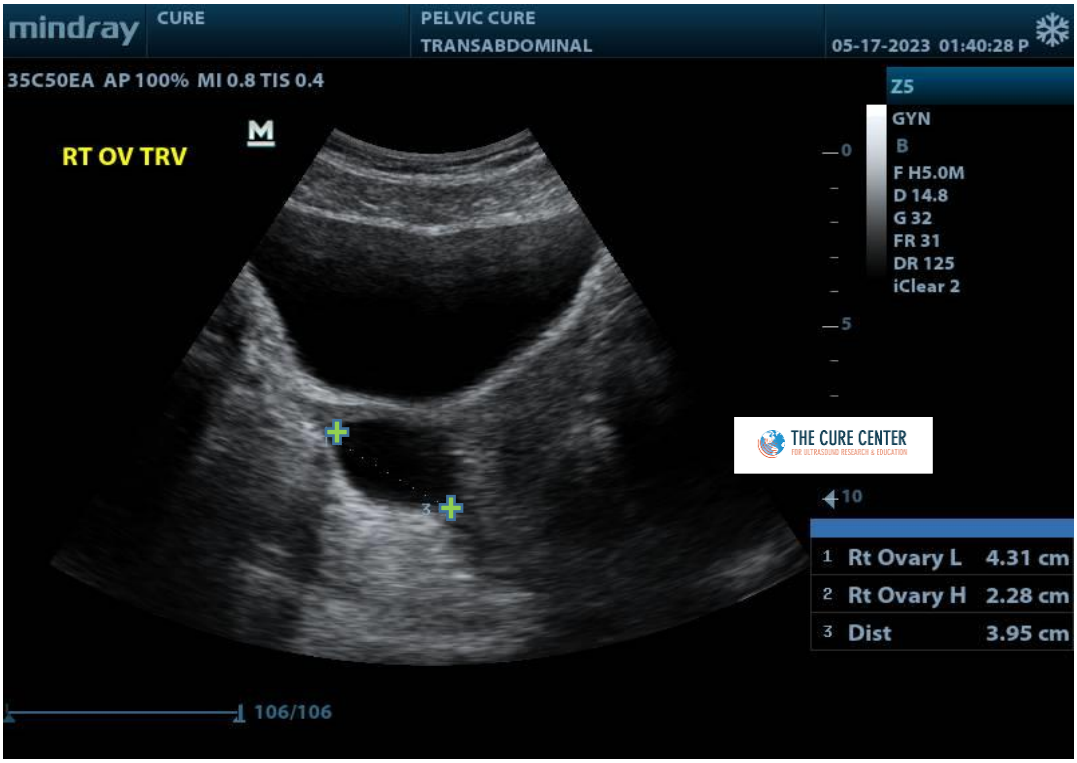

A. Right Ovary SAG with Color Doppler (Cyst if Applied/Seen)

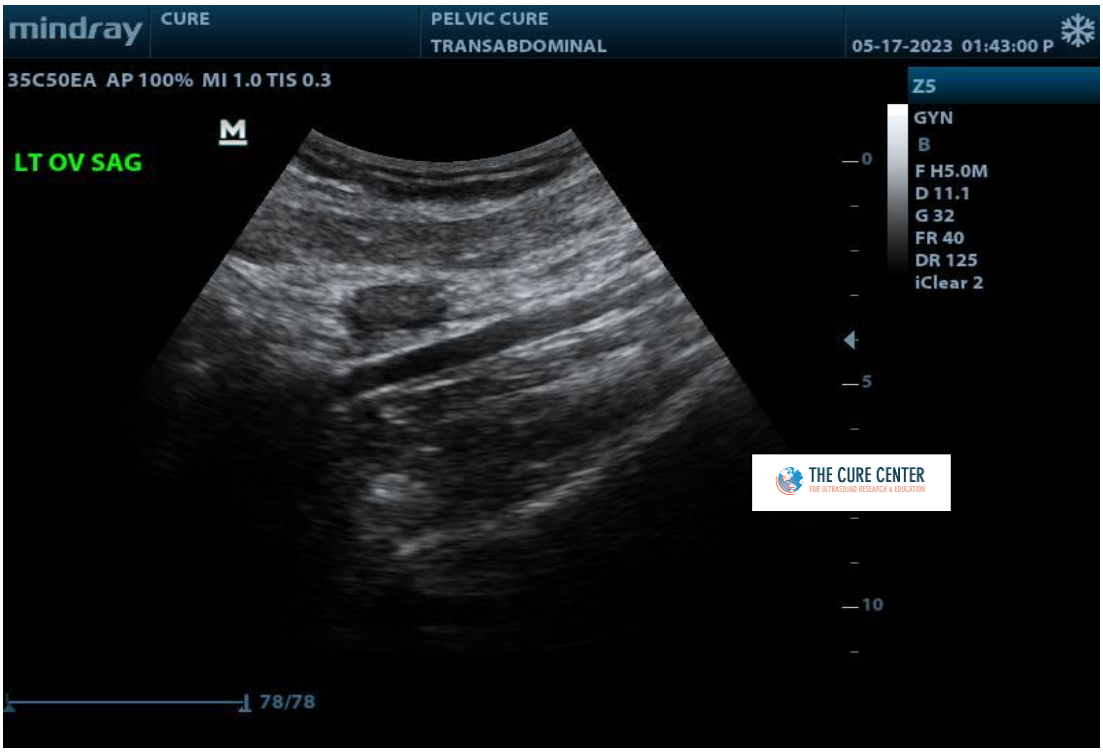

B. Right Ovary TRV Gray Scale (Cyst if Applied/Seen)

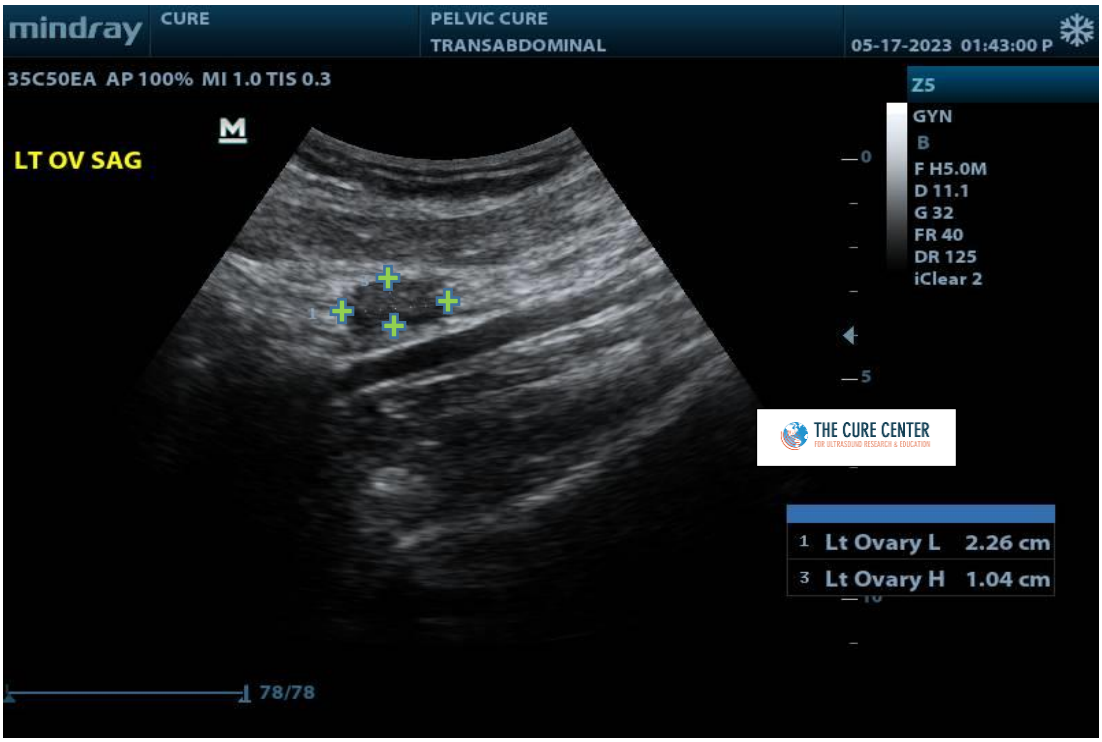

B. Right Ovary TRV with Measurement (Cyst if Applied/Seen)

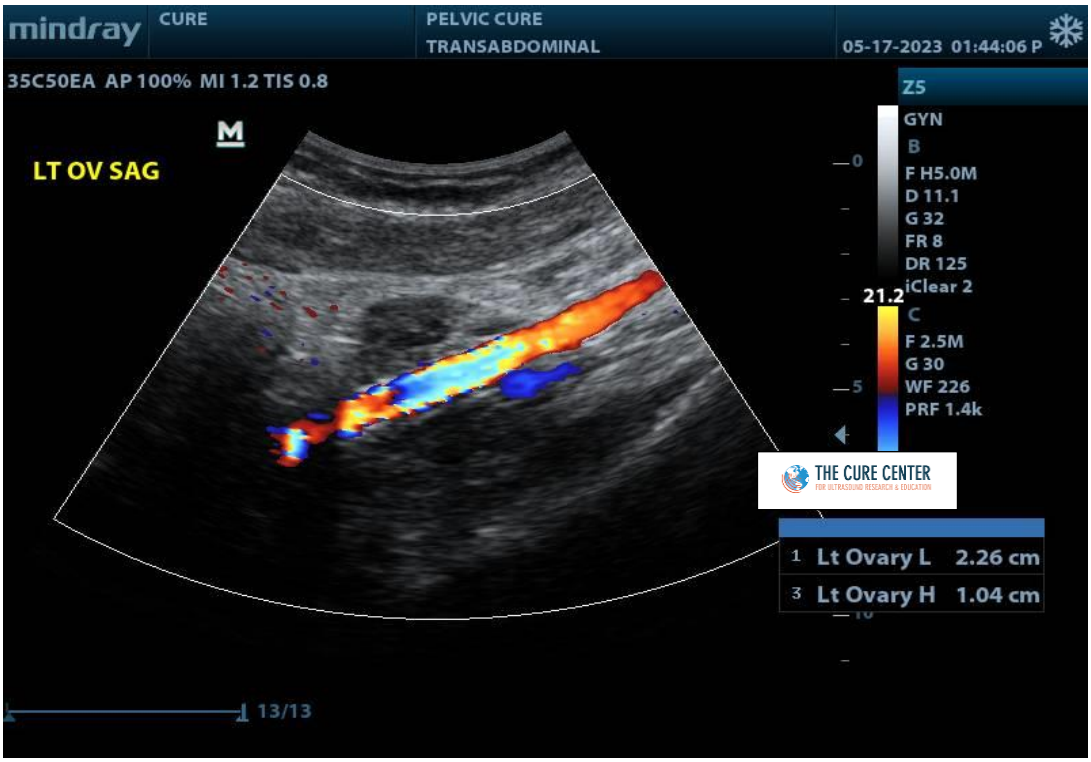

33. Left Ovary SAG with Gray Scale

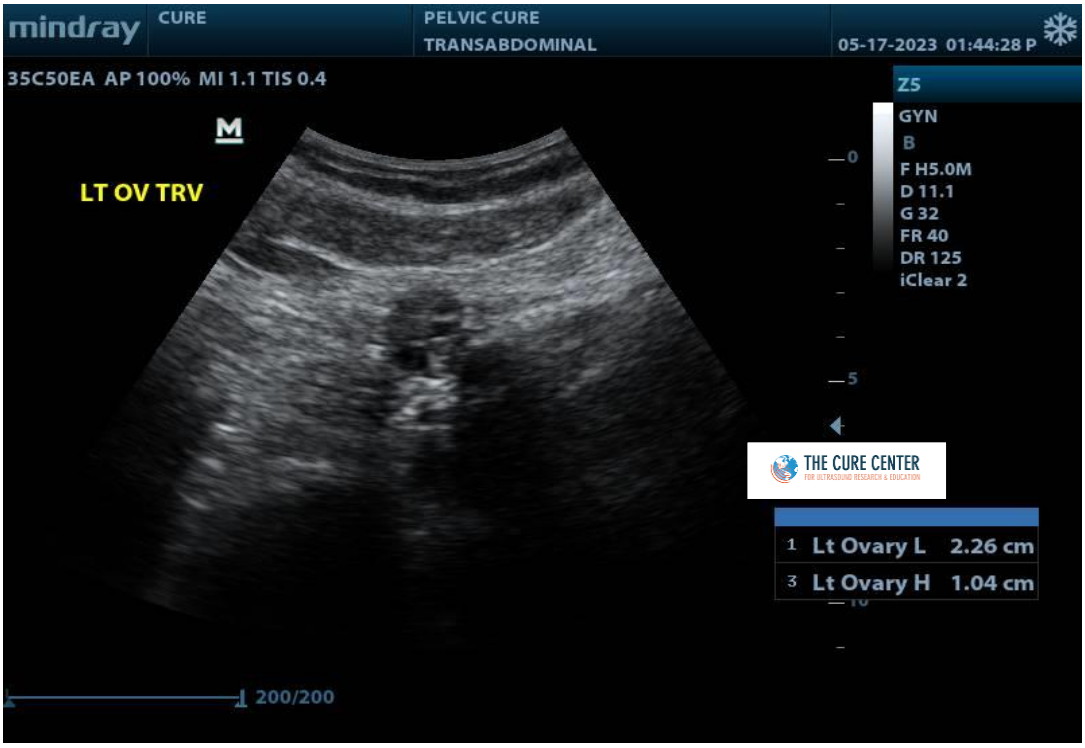

34. Left Ovary SAG with Measurement

35. Left Ovary SAG with Color Doppler

36. Left Ovary TRV with Gray Scale

37. Left Ovary TRV with Measurement
